WELCOME

We are delighted to welcome you to EdVentures Summer Camp in Corfu, a truly unique learning adventure set on one of Greece's most beautiful islands.

At EdVentures, learning is never confined to the classroom. Students practice their English while exploring, creating, and sharing experiences with international friends. They will discover the rich culture of Greece, enjoy the sun and sea, and take part in memorable excursions that bring history and nature to life.

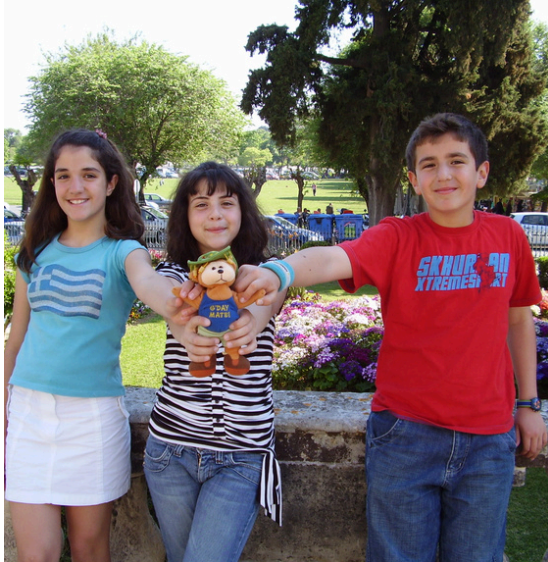

For 2027, we are proud to also offer three academies: the Football, Tennis and Horse Riding Academies. These optional programmes give students the chance to develop their sporting skills under professional guidance, while still enjoying the full summer-camp experience.

Whether in lessons, on the field, or during evening activities, our dedicated team ensures that every student feels supported, safe, and inspired. With 24/7 supervision, excellent accommodation, and nutritious meals, parents can be confident their children are in good hands.

We look forward to welcoming you to Corfu this summer and sharing with you the Greek spirit of "filoxenia" – hospitality and friendship.

“ Our programme is designed to give young learners an unforgettable experience that combines high-quality English lessons, exciting cultural excursions, and a wide range of sports and activities in a safe, friendly environment. ”

Beyond the hotel grounds, we also organise activities in parks, open public spaces, and at the beach, giving students the chance to experience Corfu's natural beauty while engaging in team-building challenges, sports tournaments, and cultural events.

From football matches and beach volleyball to arts & crafts, talent shows, and music evenings, the activities programme ensures that every student finds something to enjoy – and no two days are ever the same.

EXCURSIONS

EXPLORATION IS AT THE HEART OF OUR PROGRAMME. EACH WEEK, STUDENTS TAKE PART IN HALF-DAY OUTINGS TO DISCOVER CORFU'S RICH HERITAGE, STUNNING SCENERY, AND VIBRANT LOCAL CULTURE.

These include trips to historic sites, local attractions, and beautiful beaches, offering a balance of culture and relaxation.

In addition, there is one full-day excursion per week, allowing students to immerse themselves more deeply in the island's highlights.

All excursions are fully supervised by experienced staff from start to finish, ensuring student safety and comfort at all times. Transportation is arranged and included in the programme fee, so parents can rest assured that every detail has been planned with care.
